

LAKEVILLE ROTARY CLUB

ONE CLUB

TWO MEETING TIMES

Conclusion:

Kathy will send out a monkey survey to the entire club with a re-cap of:

- 1) Questions asked but need clarification from R1 and/or District
- 2) Copy of the presentation so those that were not in attendance can review
- 3) A-One Question – Yes/No Answer

Do you support 2 meeting times, remaining one Lakeville Rotary Club

A simple majority will be utilized

NEXT STEPS:

Lakeville Rotary Board will review vote results and have discussions on how to proceed if majority vote is to move to 2 meeting times.

If majority vote is to stay with 1 meeting time (7 a.m.), the Board will have further discussions in the future on how we can enhance our meeting structure and other possible opportunities to include those that prefer a different meeting time.

If Majority Votes Yes...

Board to discuss implementation and best timing to start a noon meeting venue.

January 1, 2016?

April 1, 2016?

July 1, 2016 when the Rotary new year starts?

Board to help finalize best spot to have it

- To keep costs consistent with current costs
- Board to determine how it is determined who will lead the noon meeting and expectations from the noon meeting as to representation on the Board
